MUNI SEVA ASHRAM, GORAJ

Workshop on Clean and Green Campus

Deepak Gadhia of MSA and Deepak Waikar of Singapore held a session on 5th January in Hyderabad for about 50 people to share details about the Clean and Green Campus Workshop organized at MSA on 27th and 28th January 2020.

Ten participants from the group of 50 people participated in the two-day residential workshop organised at MSA by the MSA Renewtech Foundation in collaboration with IUCEE for ten participants from across the country.

Keynote Speaker at International Meet

Deepak Gadhia, a trustee of MSA, was invited as a keynote speaker at an international meet at Hyderabad. The meet was organized by the Indo-Universal Cooperation for Engineering Education (IUCEE) of Boston USA, on 6th January 2020 where Deepak Gadhia spoke on the Clean and Green Campus at Muni Seva Ashram.

Biogas Lab at MSA

A biogas lab was installed at MSA on 28th January 2020, with 75% financial support from the Center for Entrepreneurship and Development (CED), Gandhinagar, for training of trainers and youth in the science and technology of various types of biogas plants.
