प्रतिदिन
करुणा का, प्रेम का,
सहयोग का एक कार्य भी
चित्तशुद्धि में मदद करता है।

जय श्री कृष्ण,

अनुसंधान is dedicated to YOU - our cherished donors, well-wishers, and supporters. You are the heart and soul of Muni Seva Ashram - our Parivaar.

While we share regular updates on social media, we understand that not everyone is on those platforms. अनुसंधान is our way of ensuring everyone stays informed about the incredible work happening at our ashram.

With the grace of the omnipresent, the blessings of our Guru, the divine chetna of Pujya Shree Anuben and your benevolent support, our ashram flourishes in the realms of education, health, social upliftment, and environmental sustainability.

Each issue of अनुसंधान will spotlight a specific vertical of our Ashram. In this edition, we are proud to highlight our healthcare segment, featuring the remarkable efforts of our Kailash Cancer Hospital and Research Centre.

We hope अनुसंधान deepens our connection and enhances our ability to serve society together.

श्रद्धा fuels our journey, संकल्प propels us forward, सेवा defines our purpose,
& सहयोग builds our strength...

With love,
TEAM ANUSANDHAN

अयं निजः परो वेति गणना लघु चेतसाम् ।
उदारचरितानां तु वसुधैव कुटुम्बकम् ।

यह मेरा है, यह उसका है; ऐसी सोच संकुचित चित्त वाले व्यक्तियों की होती है; इसके विपरीत उदारचरित वाले लोगों के लिए तो यह सम्पूर्ण धरती ही एक परिवार जैसी होती है ।।

Mool Sava Ashram, Goraj's

अनुसंधान

Our founder, Pujya Shree Anuben firmly believed in “वसुधैव कुटुम्बकम्” that the Earth is our abode, and our service extends to anyone residing within it. This philosophy became the cornerstone of all our mission.

Established in 2001, Kailash Cancer Hospital & Research Centre has positioned Goraj on the global map as one of the leading cancer care institution.

Our mission is to provide high-quality, affordable cancer treatment, utilizing cutting-edge technology and skilled specialists in a compassionate environment. We strive to inspire hope and promote health by integrating preventive and clinical practices and conducting research to advance cancer care. To date, we have served over 3.4 million cancer patients.

2024-25 | First Quarter Numbers

SPECIAL ACHIEVEMENTS

Milestone Success:

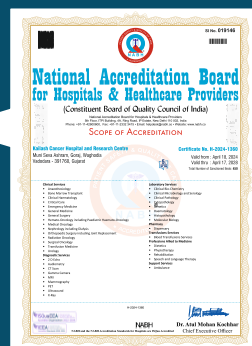

In April 2024, we proudly reached a significant milestone by successfully completing 125 life-saving bone marrow transplants.

Exemplary Standards:

Our hospital attained NABH accreditation, epitomizing the highest healthcare standards. This recognition aligns us with global benchmarks, showcasing our commitment to delivering superior cancer care while prioritizing patient safety and holistic well-being.

Prestigious Recognition:

Best Cancer Hospital for Medical Tourism in Gujarat In June 2024, our hospital was honored with the award for the best cancer hospital for medical tourism in Gujarat.

Special Days Celebrated at Kailash Cancer Hospital

Blood Donation Drives on occasion of World Blood Donor's Day:

Our School of Nursing organized a blood donation camp in collaboration with our Blood Collection Centre. We collected a total of 46 units of blood.

Another successful blood donation camp was organized in association with Laghu Udhog Bharti, resulting in the collection of 74 units of blood. We extend our heartfelt thanks to all the generous donors.

International Nurses Day:

We proudly celebrated International Nurses Day, honouring the dedication and hard work of our nursing staff.

World No Tobacco Day:

To mark World No Tobacco Day, our 2nd-year GNM students organized a poster presentation and exhibition. The event highlighted the harmful effects of tobacco and aimed to raise awareness among the hospital community, patients and visitors.

ENHANCEMENTS AND GRATITUDE

Addition through Generous Donation

■ Mobile Blood Clinic from Waghbakri Tea Parivaar:

Thanks to the generous donation from Waghbakri Tea Parivaar, we now have a mobile blood clinic. This state-of-the-art van, equipped with three donation chairs and a cutting-edge preservation unit with CCTV cameras, allows us to conduct mobile blood drives and strengthen this vital resource. This donation reflects both practicality and foresight in our mission to serve those in need.

■ Advanced Anesthesia Delivery System from Accelleron:

Accelleron - Turbocharging Industries and Services India Private Limited donated GE's Aisys Anesthesia Delivery System. This advanced system features quick pick choices, flat menus, and tunneling alarms, enabling our anesthetists to deliver precise and personalized care during surgeries, ensuring top-notch treatment for our patients.

We extend our heartfelt gratitude to these generous donors for their invaluable contributions.

■ Inauguration of New OPD Consultation Wing

With the rising number of cancer cases and the increasing influx of patients seeking treatment at our hospital, we have inaugurated a dedicated New OPD consultation wing. This new facility streamlines our operations, improves patient comfort, and reduces consultation wait times, enhancing the overall experience for our patients.

■ Omni Legend digiPET:

We are set to install the Omni Legend digiPET, pending statutory permissions. This advanced digital PET CT system offers high-resolution images, improved clinical efficiency, and reduced radiation dose by 40%. It ensures accurate diagnoses and monitoring while enhancing patient comfort with shorter scan times.

■ GE Discovery RT Gen 3:

The GE Discovery RT Gen 3 for radiotherapy planning is also being installed. It offers the largest field of view, high-quality simulations for overweight patients, and precise 4D CT scans with advanced artifact reduction for accurate radiotherapy dose calculations.

We remain dedicated to providing world-class cancer treatment using the latest technology.

EDUCATIONAL INITIATIVES AND INSPIRING VISITS

Kailash Cancer Hospital and Research Centre: A Hub of Education and Hope

Kailash Cancer Hospital and Research Centre continues to be a remarkable destination, offering a diverse range of initiatives and programs that provide educational opportunities and hope. These initiatives attract students from schools, colleges, IITs, and other esteemed institutions.

Karnatak University, Dharwad: Recently, we hosted a study tour for 39 students and 3 faculty members from the Department of Post Graduate Education in Social Work at Karnatak University, Dharwad. The tour aimed to foster appreciation and sensitivity towards the challenges and needs addressed by the hospital and the invaluable services we provide to patients.

Eklavya Nursing College, Kalarani: Around 100 first and second-year GNM Nursing students from Eklavya Nursing College in Kalarani, Jetpur Pavi, visited our Muni Seva Ashram and Kailash Cancer Hospital & Research Centre for an educational tour. This visit provided valuable insights into healthcare practices, enriching their learning experience.

Additionally, we are offering teaching courses that include a fellowship program with a total of 5 students specializing in Oncology, Onco Pathology & Onco Imaging. Furthermore, 2 students are currently pursuing their DNB in the Radiotherapy branch and 2 are doing internship for medical physicists, the program is affiliated with Annamalai University.

We are proud to continue our tradition of education and outreach, inspiring the next generation of healthcare professionals.

Quality and safety are paramount in everything we do. We are committed to providing the best possible care to our patients, and our quality department meticulously measures our performance using various quality indicators. Through continuous monitoring, root cause analysis, timely corrective and preventive actions, and ongoing training, we maintain our high standards.

We regularly review all key quality parameters as recommended by NABH to ensure we meet and excel the required benchmarks.

TIE-UPS AND PATIENT SUPPORT

To offer cashless treatment to our patients, we have established extensive partnerships, including:

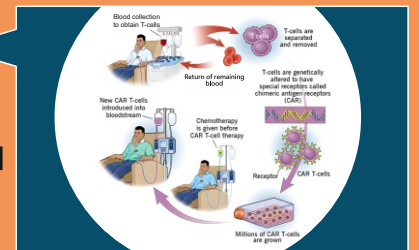

- 19 Insurance tie-ups
- 10 TPA (Third-Party Administrator) tie-ups
- 6 Corporate tie-ups

We are also one of the largest service providers under the Pradhan Mantri Jan Arogya Yojana. Additionally, we collaborate with several NGOs and societies, leveraging their support whenever needed to ensure the best care for our patients.

UPCOMING CANCER CARE PROJECTS:

We are pleased to share that we are working on two important projects to enhance our services. Our upcoming **Peripheral Cathlab** will help us offer more precise diagnostic and therapeutic options for our patients. We are also developing a **CAR T Cell Lab**, which will support our efforts in providing advanced immunotherapy treatments. We look forward to these new developments and remain committed to improving care for those we serve.

SUPPORT

We have reached this milestone through your benevolent support. Your contributions, both financial and otherwise, keep us moving forward. Our expansions, construction projects, introduction of newer technologies, and patient support programs are made possible by the corporate and personal support we receive. For this, we are eternally grateful.

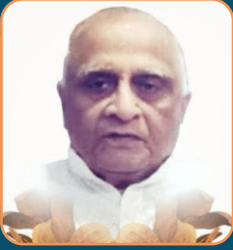

We believe in complete transparency. Every contribution is immediately followed up with an 80G compliant receipt. Daily updates of Muni Seva Ashram are documented on our Facebook and Instagram handles, and newsletters are published on our website: www.greenashram.org. For information on how to donate or offer assistance, please visit our website: www.greenashram.org.

Thank you once again for your unwavering support!

Honoring Our Departed Souls

At Muni Seva Ashram, we mourn the loss of three esteemed members:

Pujya Shree Jagdishbhai Patel

A long-time supporter, his guidance and generosity were invaluable to our mission.

Pujya Shree Vitthalbhai Parmar

A dedicated trustee since our inception, his wisdom and support were foundational to our growth.

Pujya Shree Hasumatiben Trivedi

A pioneer in establishing our School of Nursing, her vision and dedication will be deeply missed.

We extend our heartfelt condolences to their families.

Their legacies will continue to inspire and guide us. May their souls rest in peace.

*Nurturing Hope,
Healing Lives, Inspiring Joy*

As we continue to embrace innovation and expand our capabilities, we remain deeply committed to our mission of providing quality cancer care to our patients. Your unwavering support and contributions make these advancements possible. Together, we are making a significant impact in the fight against cancer and improving the lives of those we serve. Thank you for being a vital part of our journey.

We welcome your suggestions to make अनुसंधान even better. Please share your thoughts and feedback with us at anusandhan@greenashram.org
